

Notice to Skippers No. 137

Skippers are informed that until 12.03.2023, the contracting entity of the design and execution works of the project "Banks protection on the Sulina Canal" - final stage, (beneficiary R.A.- A.F.D.J.), **S.C. INTERCONSTRUCT S.R.L.**, operates on the Danube sector of the Sulina Canal, between **Nm 29+1827 and Nm 28+1802, right bank.**

The activity in the working area shall be carried out with increased attention, observing the following conditions:

- the machinery and equipment shall be signaled during day and night-time according to the "Rules of Navigation on the Danube on the Romanian Sector" – 2013 edition;
- no more than one ship will be stationed in the berth at the work point;
- the ships shall be operated at a draft appropriate to the water levels of the Danube, the activity taking place outside the fairway;
- the maneuvers at the operating point shall not hinder the navigation of the other vessels in the area, keeping permanent contact via VHF 16 channel.

Navigation in this sector shall take place with increased vigilance, **being forbidden:**

- meeting, overtaking, navigation at the same height;
- producing waves or suction effects;
- anchors, chains or hawser crawling.

Skippers of vessels and convoys, shall take all necessary measures to observe the "Rules of Navigation on the Danube on the Romanian Sector" – 2013 edition and the recommendations of the present NtS.

Failure to observe the provisions of the present Notice to Skippers entails administrative, disciplinary or penal responsibility, as the case may be.
